## **PROXY STATEMENT**

The enclosed proxy is solicited on behalf of the Board of Directors of Air T, Inc. (referred to as the "Company") in connection with the annual meeting of stockholders of the Company to be held on Wednesday, August 22, 2018 at 8:30 a.m. at 5930 Balsom Ridge Road, Denver, North Carolina 28037. The proxy is for use at the meeting if you do not attend or if you wish to vote your shares by proxy even if you do attend. You may revoke your proxy at any time before it is exercised by

- giving a written notice of revocation to the Secretary of the Company,
- submitting a proxy having a later date, or
- appearing at the meeting and requesting to vote in person.

All shares represented by valid proxies and not revoked before they are voted will be voted as specified. If no specification is made, proxies will be voted "**FOR**" electing all nominees for director listed on the proxy in Item 1, "**FOR**" the resolution approving, on an advisory basis, the compensation paid to the Company's named executive officers as disclosed in this proxy statement, and "**FOR**" ratifying BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2019.

The Board of Directors knows of no matters, other than those stated above, to be presented for consideration at the annual meeting. If, however, other matters properly come before the annual meeting or any adjournment thereof, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with their best judgment on any such matters. The persons named in the accompanying proxy may also, if it is deemed advisable, vote such proxy to adjourn the annual meeting from time to time, including if there is not a quorum on the date set for the annual meeting.

This proxy statement, the enclosed proxy card and the Company's 2018 Annual Report to Stockholders are being first mailed to our stockholders on or about July 18, 2018. The Annual Report does not constitute "soliciting material" and is not to be deemed "filed" with the Securities and Exchange Commission.

The Company will pay the costs of preparing this proxy statement and of soliciting proxies in the enclosed form. Our officers, directors and employees may solicit proxies personally, by telephone, mail or facsimile, or via the Internet. These individuals will not receive any additional compensation for their solicitation efforts. You may also be solicited by means of press releases issued by the Company, postings on our website, [www.airt.net](http://www.airt.net), and advertisements in periodicals. In addition, upon request we will reimburse banks, brokers and other nominees representing beneficial owners of shares for their expenses in forwarding voting materials to their customers who are beneficial owners and in obtaining voting instructions.

## **VOTING**

Only stockholders of record at the close of business on July 6, 2018 will be entitled to vote at the annual meeting or any adjournment or adjournments thereof. The number of outstanding shares entitled to vote at the stockholders meeting is 2,043,607. The presence of a majority of the outstanding shares of the Company's Common Stock, par value \$.25 per share (the "Common Stock"), represented in person or by proxy at the meeting will constitute a quorum necessary to conduct business at the meeting.

## **How to Vote**

If you are a registered stockholder, you may vote your shares by mail by completing, signing, dating and returning the enclosed proxy card or you may vote your shares in person by attending the meeting and voting your shares at the meeting. Even if you plan to attend the meeting, the Company encourages you to vote your shares by proxy. If you choose to attend the meeting, please bring proof of stock ownership and proof of identification to the meeting.

If you are a beneficial stockholder and your broker holds your shares in its name, your broker may provide you alternative methods of providing your voting instructions, including by Internet or telephone. This depends on the voting process of the broker through which you hold the shares. Please follow their directions carefully.

## **Voting of Shares Held Through Brokers**

If you are a beneficial stockholder and your broker holds your shares in its name, your broker cannot vote your shares on the following matters if you do not timely provide instructions for voting your shares:

- the election of directors and
- the advisory vote on approval of the compensation paid to the Company's named executive officers.

If your shares are maintained through an account with a broker, it is likely that your broker holds your shares in its name, and you should contact your broker if you are uncertain whether your broker holds your shares in its name. Shares not voted by brokers on these matters if timely voting instructions are not provided are referred to as "broker non-votes." However, your broker may vote your shares on any other matter that may be presented to the stockholders for a vote at the meeting, including the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm, if the broker does not receive voting instructions from you.

If your broker holds your shares in its name, for you to vote those shares you must provide voting instructions to the broker through which you hold the shares. Please follow their directions carefully. If you want to vote shares held by your broker in its name at the meeting, you must request a legal proxy from your broker and present that proxy, together with proof of identification, at the meeting.

## **Required Voting Thresholds for Matters to be Considered at the Meeting**

Directors will be elected by a plurality of the votes cast—that is, the eight nominees receiving the most votes will be elected as directors. Cumulative voting is not allowed. Accordingly, abstentions and broker non-votes will not affect the outcome of the election of directors.

The ratification of the appointment of the independent registered public accounting firm for the fiscal year ending March 31, 2019, requires the affirmative vote of a majority of the shares present or represented at the meeting and entitled to vote. On such matter, an abstention will have the same effect as a negative vote but, because shares held by brokers will not be considered entitled to vote on matters as to which the brokers withhold authority, a broker non-vote, if applicable, will have no effect on votes on these matters.

With respect to the advisory vote on compensation, the Company will consider that our shareholders will approve of the compensation for named executive officers as disclosed in this Proxy Statement in there are more "FOR" votes than the total of "AGAINST" and "ABSTAIN" votes.

## Changing Your Vote

Even after you have submitted your vote, you may revoke your proxy and change your vote at any time before voting begins at the annual meeting. If you are a registered stockholder, you may do this by:

- timely delivering to the Company's Secretary, or at the meeting, a later dated signed proxy card or
- by voting your shares in person if you attend the meeting.

Your attendance at the meeting will not automatically revoke your proxy; you must specifically revoke it.

If your broker holds your shares in its name, you should contact your bank, broker or other nominee to find out how to revoke your proxy. If you have obtained a legal proxy from your nominee giving you the right to vote your shares, you may vote by attending the meeting and voting in person or by sending in an executed proxy with your legal proxy form.

**The Board of Directors recommends a vote "FOR" all of the nominees listed above for election as directors (Item 1 on the enclosed proxy card).**

The Board of Directors believes that the Board as a whole should encompass a range of skill and expertise enabling it to provide sound guidance with respect to the Company's operations and interests. In addition to considering a candidate's background and accomplishments, candidates are reviewed in the context of the current composition of the Board and the evolving needs of our businesses. The Company's policy is to have at least a majority of Directors qualify as "independent," and only three of the eight nominees, Messrs. Nick Swenson, Barkett and Kohler do not qualify as "independent."

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having the same person serve as Chief Executive Officer and Chairman of the Board is in the best interests of the Company's stockholders at this time.

The authority and responsibilities of the Corporate Opportunity Committee are set forth in a charter adopted by the Board of Directors. The Corporate Opportunity Committee is charged with reviewing and either rejecting on behalf of the Company or recommending to the Board of Directors that the Company consider pursuing potential investments, acquisitions or other transactions that may from time to time be identified by Mr. Nick Swenson or any of his affiliates. In evaluating each such potential investment, acquisition or transaction, the Corporate Opportunity Committee is charged with evaluating other transactions, initiatives and developments being pursued by the Company or that are being considered by the Company, the resources available to the Company, the Company's strategic objectives and such other matters as it deems appropriate.

### **Director Independence**

The Board of Directors has determined that none of the members of the Board of Directors other than Mr. Nick Swenson, the Company's Chief Executive Officer, and Messrs. Barkett and Kohler has any relationship that, in the Board's opinion, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and that each of these individuals is "independent" within the meaning of the rules of the NASDAQ Capital Market. All of the members of the Company's Audit Committee and Nominating Committee are independent directors under these standards. A majority of the members of the Company's Compensation Committee are independent under these standards. In addition, the Board of Directors has determined that the members of the Audit Committee meet the additional standards of independence applicable to members of an audit committee.

The Board of Directors concluded that Mr. Barkett is not independent as a result of a consulting arrangement established in October 2014 between the Company and RDA Capital Advisors, LLC. Mr. Barkett is the principal of RDA Capital Advisors, LLC and directly participates in providing the consulting services to the Company under this arrangement. The Company has engaged RDA Capital Advisors, LLC to assist the Company and its subsidiaries with respect to designated projects, including evaluating merger and acquisition opportunities, developing financial planning and analysis capabilities, evaluating investment opportunities, and providing operational and strategic advice and coordination services for a consulting fee of \$5,000 per month.

The Board of Directors concluded that Mr. Kohler is not independent in light of the Company's December 2017 acquisition of the assets of Blue Clay Capital Management, LLC, an investment management firm based in Minneapolis, Minnesota. Mr. Kohler was the sole owner of Blue Clay Capital and in connection with such acquisition, a subsidiary of the Company replaced Blue Clay Capital as the managing general partner of certain investment funds and Mr. Kohler entered into an employment arrangement with such subsidiary to serve as its Chief Investment Officer in return for an annual salary of \$50,000 plus variable compensation based on the management and incentive fees to be paid to the

subsidiary by certain of these investment funds and eligibility to participate in discretionary annual bonuses.

### **Board's Role in Risk Oversight**

As discussed above, the Audit Committee assists the Board with respect to risk assessment and risk management, including monitoring significant risks or exposures of the Company and the steps that have been taken to minimize such risks. The Audit Committee is comprised entirely of independent directors. The Audit Committee is also charged with monitoring the Company's "whistleblower hotline" which permits complaints or concerns regarding legal compliance, accounting, internal controls and auditing matters to be submitted by interested persons, including employees, confidentially and anonymously. In addition, the Compensation Committee is charged with assisting the Board in reviewing the Company's overall compensation policies and practices for all employees as they relate to the Company's risk. The Compensation Committee is currently comprised of a majority of independent directors.

### **Attendance of Meetings**

During the fiscal year ended March 31, 2018, the Board of Directors met 10 times. Each of the directors attended at least 75% of all of the meetings of the Board of Directors and committees thereof on which such director served during such period. The Company does not have a policy with respect to attendance of members of the Board of Directors at the annual meeting of stockholders. Historically, few, if any, stockholders have attended the Company's annual meeting of stockholders.

### **Director Qualifications and Nominations**

The Nominating Committee has adopted a policy that candidates nominated for election or re-election to the Board of Directors generally should meet the following qualifications:

- candidates should possess broad training and experience at the policymaking level in business, government, education, technology or philanthropy;
- candidates should possess expertise that is useful to the Company and complementary to the background and experience of other members of the Board of Directors, so that an optimal balance in Board membership can be achieved and maintained;
- candidates should be of the highest integrity, possess strength of character and the mature judgment essential to effective decision making;
- candidates should be willing to devote the required amount of time to the work of the Board of Directors and one or more of its committees;
- candidates should be willing to serve on the Board of Directors over a period of several years to allow for the development of sound knowledge of the Company and its principal operations; and
- candidates should be without any significant conflict of interest or legal impediment with regard to service on the Board of Directors.

The Nominating Committee seeks directors with experience in areas relevant to the Company's businesses. The Nominating Committee also seeks other key attributes that are important to an effective board: integrity and high ethical standards; sound judgment; analytical skills; and the commitment to devote the necessary time and energy to the service on the Board and its Committees. The Company does not have a policy with regard to the consideration of diversity in identifying director nominees. The Nominating Committee seeks out appropriate candidates, principally by canvassing current directors for suggestions. The Nominating Committee evaluates candidates on the basis of the above qualifications

and other criteria that may vary from time to time. The Nominating Committee does not have a formal policy on the consideration of director candidates recommended by stockholders. The Board of Directors believes that such a formal policy is unnecessary and that the issue is more appropriately dealt with on a case-by-case basis.

There have been no changes to the procedures by which security holders may recommend nominees to the Company's Board of Directors since the date of the Company's proxy statement for its annual meeting of stockholders held on December 11, 2017.

## **CERTAIN TRANSACTIONS**

On December 15, 2017, BCCM, Inc. (“BCCM”), a newly-formed, wholly-owned subsidiary of the Company, completed the acquisition of Blue Clay Capital Management, LLC (“Blue Clay Capital”), an investment management firm based in Minneapolis, Minnesota. In connection with the transaction, BCCM acquired the assets of, and assumed certain liabilities of, Blue Clay Capital in return for payment to Blue Clay Capital of \$1.00, subject to adjustment for Blue Clay Capital’s net working capital as of the closing date. The fair value of the assets acquired and liabilities assumed in connection with the transaction are provisional. Gary S. Kohler, a director of the Company, was the sole owner of Blue Clay Capital. In connection with the transaction, (i) BCCM replaced Blue Clay Capital as the managing general partner of certain investment funds managed by Blue Clay Capital (Blue Clay Capital Partners, LP, Blue Clay Capital Partners CO I, LP, Blue Clay Capital Partners CO III, LP and Blue Clay Capital SMid-Cap LO, LP); and (ii) Mr. Kohler entered into an employment agreement with BCCM to serve as its Chief Investment Officer in return for an annual salary of \$50,000 plus variable compensation based on the management and incentive fees to be paid to the subsidiary by certain of these investment funds and eligibility to participate in discretionary annual bonuses.

In connection with the Blue Clay Capital acquisition, a Partnership Interest Conversion and General Partner Admittance Agreement (“Conversion Agreement”) was entered into effective December 31, 2017 between Blue Clay Capital, BCCM, BCCM Advisors, LLC (“BCCM Advisors”), a wholly-owned subsidiary of BCCM, and various Blue Clay Capital investment funds. Per the Conversion Agreement, Blue Clay Capital sold to BCCM Advisors, and BCCM Advisors purchased from Blue Clay, the general partnership interests in certain investment funds previously managed by Blue Clay Capital (as specified above) for a purchase price equal to, with respect to each general partnership, of (i) one percent (1%) of the aggregate capital accounts of each fund as valued on December 31, 2017 and (ii) \$100,000 (or \$10,000 in the case of Blue Clay Capital SMid-Cap LO, LP). Upon acquisition of each of the general partnership interests, BCCM Advisors was admitted as the general partner of each fund. Blue Clay Capital retained the incentive allocations associated with Blue Clay Capital Partners CO I, LP and Blue Clay Capital Partners CO III. BCCM Advisors will receive all future incentive allocations accruing as of January 1, 2018 and thereafter associated with Blue Clay Capital Partners, LP which is the onshore feeder fund to the Blue Clay Capital Master Fund Ltd. Management determined that the price paid of \$227,000 for the combined general partnership interests approximates the fair value of those interests. The portion of the purchase price paid for the general partnership interest in Blue Clay Capital Partners, LP is allocated as an equity interest in the Blue Clay Capital Master Fund, Ltd.

## **EXECUTIVE OFFICERS**

The current executive officers of the Company are Nick Swenson and Brett Reynolds. Biographical information regarding Mr. Nick Swenson is included in “Proposal 1 – Election of Directors.”

Mr. Reynolds, age 49, has served as the Company’s Senior Vice President and Chief Financial Officer since May 7, 2018. Prior to joining the Company, Mr. Reynolds was Senior Vice President and Chief Financial Officer of Cogentix Medical, Inc., a publicly-traded medical device manufacturer that was purchased by Laborie Medical Technologies in April 2018. the merger of two publicly-traded companies (Vision Sciences and Uroplasty) and Mr. Reynolds initially joined Uroplasty as Senior Vice President and Chief Financial Officer in August 2013. He was the Chief Financial Officer of Synovis Life Technologies, Inc., a publicly-traded medical device manufacturer, from 2005 to 2012. Following the sale of Synovis Life Technologies to Baxter International in February 2012, Mr. Reynolds served as Site Leader of the former Synovis operations from the date of acquisition through August 2013. Prior to Synovis, Mr. Reynolds served in executive financial positions at Chiquita Processed Foods, LLC, Imation Corp. and Deloitte & Touche LLP.

## **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

To the Company's knowledge, based solely on review of the copies of reports under Section 16(a) of the Securities Exchange Act of 1934 that have been furnished to the Company and written representations that no other reports were required, during the fiscal year ended March 31, 2018 all executive officers, directors and greater than ten-percent beneficial owners have complied with all applicable Section 16(a) filing requirements, with the exception of the late filing of Form 3's for the new Board members in December 2017.

## **PROPOSAL 2 – ADVISORY VOTE ON EXECUTIVE COMPENSATION**

Pursuant to the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"), the Company is providing stockholders with the opportunity to cast an advisory vote on compensation to the executive officers named in the Summary Compensation Table as reported in this proxy statement. Accordingly, the following resolution will be presented to the stockholders at the annual meeting:

"Resolved, that the stockholders hereby approve, on an advisory basis, the compensation paid to the Company's named executive officers as disclosed, pursuant to Item 402 of Regulation S-K of the Securities and Exchange Commission, in the Company's proxy statement for the 2018 annual meeting of stockholders."

This vote is nonbinding on the company. The Board of Directors and the Compensation Committee, which is comprised of independent directors, expect to take into account the outcome of the vote when considering future executive compensation decisions. The Company's named executive officers during the most recent fiscal year are those officers listed in the Summary Compensation Table appearing in this proxy statement, who are Nicholas Swenson, Chief Executive Officer, and Candice Otey, Vice President-Finance, Chief Financial Officer, Secretary and Treasurer.

**The Board of Directors recommends a vote "FOR" the adoption of the resolution approving, on an advisory basis, the compensation paid to the Company's named executive officers as disclosed in this proxy statement (Item 2 on the enclosed proxy card).**

The objectives of the Company's compensation plan for its executive officers is to offer incentives for superior performance and to provide compensation in amounts and in forms that are sufficient to attract and retain management personnel capable of effectively managing the Company's businesses.

The compensation of the executive officers is determined by the Compensation Committee under authority delegated to it by the Board of Directors. The Compensation Committee consults with the Chief Executive Officer in evaluating and setting the compensation of the other executive officers.

The Company has paid modest levels of compensation. The elements of the total compensation paid to executives, other than Mr. Nick Swenson, under the Company's policy are:

- base salary,
- annual cash incentive, and
- retirement, health and welfare and other benefits.

## **Base Salary**

Base salaries are not linked to the performance of the Company and are intended to provide the executive officers a relatively secure baseline level of compensation. The Compensation Committee periodically reviews base salary levels and adjusts base salaries as deemed necessary, but not necessarily annually. During the review and adjustment process, the Compensation Committee considers:

- individual performance;
- recommendations of the Chief Executive Officer with respect to the base salaries of other executive officers;
- the duties and responsibilities of each executive officer position;
- their current compensation level;
- the relationship of executive officer pay to the base salaries of senior officers and other employees of the Company; and
- whether the base salary levels are competitive.

## **Incentive and Bonus Compensation**

The named executive officers are eligible to receive annual incentive compensation based on the Company's overall financial performance and a subjective evaluation of individual performance. In addition, named executive officers are eligible to receive discretionary bonuses from time to time based on individual performance in achieving important Company milestones. Ms. Otey received annual incentive compensation of \$30,000 under the annual incentive program for the fiscal year ended March 31, 2018. Because of the subjective evaluation used in determining this compensation, it is all reported as bonus in the accompanying Summary Compensation Table.

## **Retirement and Other Benefits**

The named executive officers are eligible to participate in certain employee benefit plans sponsored by the Company, which are described below.

The Company sponsors the Air T, Inc. 401(k) Plan (the "401(k) Plan"), a tax-qualified Code Section 401(k) retirement savings plan, for the benefit of substantially all of its employees, including these executive officers. The 401(k) Plan encourages saving for retirement by enabling participants to make contributions on a pre-tax basis and to defer taxation on earnings on funds contributed to the 401(k) Plan. The Company makes matching contributions to the 401(k) Plan. These named executive officers are also eligible to participate in group health, life and other welfare benefit plans on the same terms and conditions that apply to other employees. For the fiscal year ended March 31, 2018, Ms. Otey received an automobile allowance. The named executive officers do not receive better insurance programs, vacation schedules or holidays than other employees of equal employment tenure.

The Company does not maintain any non-qualified deferred compensation plans that would allow executives to elect to defer receipt (and taxation) of their base salaries, bonuses, annual incentive plan payments or other compensation.

The employment agreement provides that Mr. Nick Swenson's employment can be terminated by the Company at any time, without advance notice, for any reason or for no reason. The agreement does not provide for any severance payment to Mr. Nick Swenson upon termination of his employment by the Company. The agreement provides for an annual salary of \$50,000, commencing on April 1, 2014. The agreement provides that Mr. Nick Swenson will not participate in any bonus or equity compensation arrangement and that Mr. Nick Swenson has declined to participate in any employee benefit plan. The agreement also

includes provisions regarding confidentiality, indemnification, and a covenant not to compete for one year following termination of employment.

*401(k) Plan.* The Company sponsors the Air T, Inc. 401(k) Plan (the “401(k) Plan”), a tax-qualified Internal Revenue Code Section 401(k) retirement savings plan, for the benefit of substantially all of its employees, including its executive officers. Employees are eligible to participate in the 401(k) Plan upon commencement of employment. The Company makes matching contributions to the Plan. Mr. Nick Swenson has declined participation in the 401(k) Plan.

### **PROPOSAL 3 -- RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Board of Directors recommends that the stockholders ratify the appointment of BDO USA, LLP to serve as the independent registered public accounting firm for the Company and its subsidiary corporations for the fiscal year ending March 31, 2019. If the stockholders do not ratify this appointment, the Audit Committee will consider other independent registered public accounting firms.

BDO USA, LLP has served as the independent registered public accounting firm for the Company since December 2, 2016. Representatives of BDO USA, LLP are expected to be present at the annual meeting and will have an opportunity to make a statement and will be available to respond to appropriate questions.

Dixon Hughes Goodman LLP served as the Company’s the independent registered public accounting firm for the fiscal year ended March 31, 2016. In November 2016, the Audit Committee of the Board of Directors completed a competitive process to assess the appointment of the Company’s independent registered public accounting firm for the fiscal year ending March 31, 2017 in which several firms were invited to submit proposals. As a result of this process and following careful deliberation, on November 28, 2016, the Audit Committee dismissed Dixon Hughes Goodman LLP as the Company’s independent registered public accounting firm, effective as of that same date.

Dixon Hughes Goodman, LLP’s reports on the Company’s consolidated financial statements for the fiscal years ended March 31, 2016 and March 31, 2015 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During such fiscal years and the subsequent interim period through November 28, 2016, there were (i) no disagreements with Dixon Hughes Goodman LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Dixon Hughes Goodman LLP, would have caused Dixon Hughes Goodman LLP to make reference to the subject matter of the disagreement in its report on the Company’s consolidated financial statements, and (ii) no “reportable events” as that term is defined in Item 304(a)(1)(v) of Regulation S-K (“Regulation S-K”) of the U.S. Securities and Exchange Commission.

On November 28, 2016, the Audit Committee approved appointment of BDO USA, LLP as the Company’s independent registered public accounting firm for the fiscal year ending March 31, 2017. BDO USA, LLP accepted appointment as the Company’s independent registered public accounting firm for the year ending March 31, 2017 on December 2, 2016. During the Company’s fiscal years ended March 31, 2015 and March 31, 2016 and the subsequent interim period preceding BDO USA, LLP’s appointment, neither the Company nor anyone on its behalf consulted BDO USA, LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s consolidated financial statements, and no written report or oral advice was provided to the Company that BDO USA, LLP concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a “disagreement” or “reportable event” (within the meaning of Item 304(a) of Regulation S-K and Item 304(a)(1)(v) of Regulation S-K, respectively)

**The Board of Directors recommends a vote “FOR” the proposal to ratify the selection of BDO USA, LLP as independent auditors for the fiscal year ending March 31, 2019 (Item 3 on the enclosed proxy card).**

**Audit Committee Pre-approval of Auditor Engagements**

It is the policy of the Audit Committee that all audit and permitted non-audit services provided to the Company by its independent registered public accounting firm are approved by the Audit Committee in advance. In addition, it is the Company’s practice that any invoices not covered by the annual engagement letter that are subsequently submitted by its independent registered public accounting firm are provided to the Chairman of the Audit Committee for approval prior to payment. The independent auditor, management and the Audit Committee must meet on at least an annual basis to review the plans and scope of the audit and the proposed fees of the independent auditor.

**Audit Fees**

The following is a summary of the fees billed to us by BDO USA, LLP for professional services rendered for the fiscal year ended March 31, 2018 and by Dixon Hughes Goodman LLP for professional services rendered for the fiscal years ended March 31, 2018 and 2017:

Audit-Related Fees(2) .....	—	—	33,000

All Other Fees.....	—	—	—

- (1) Audit fees consist of fees incurred for professional services rendered for the audit of our annual financial statements and review of the quarterly financial statements that are provided by our independent registered public accounting firm in connection with regulatory filings or engagements.
- (2) Audit-related fees relate to professional services rendered that are related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.” Audit-related fees also include fees associated with the audit of the Company’s retirement savings plan.

**Report of the Audit Committee**

The Audit Committee reviews the Company’s financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company’s independent registered public accounting firm is responsible for expressing an opinion on the conformity of the Company’s audited financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the audited financial statements as of and for the year ended March 31, 2018. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committee*, as adopted by the Public Company Accounting Oversight Board and currently in effect. In addition, the Audit Committee discussed with the independent registered public accounting firm the written disclosures and letter required by Public Company Accounting Oversight Board Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, regarding the independent registered public accounting firm’s communication with the Audit Committee concerning independence and discussed with them their independence from the Company and its management. The Audit Committee also has considered whether the independent registered public accounting firm’s provision of non-audit services to the Company is compatible with their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 31, 2018 for filing with the Securities and Exchange Commission.
